**CHURCH EXPANSION**

It is so exciting to be a part of God's mission for the world. He loves people and longs to see them enter His Kingdom through faith in Jesus Christ. His church is the primary vehicle to take this good news to the world. With that in mind, I invite you to partner with me to advance His kingdom.

The Move is our way of giving to ministry organizations, projects and efforts that influence lives for the kingdom. The most effective initiatives are the sending and supporting of missionaries, the development of new Christian leaders, and the expansion of the local church. The best investment you can make in the kingdom of God is in these three areas.

That is why I invite you to join me in giving to The Move. This booklet outlines the many ways we are working to build the church and make disciples in 2021. Your monthly or one-time giving to this endeavor will change lives and help us fulfill the mission God has given His church. Together we can advance the kingdom and make disciples of all nations for the sake of Christ and the glory of God.

Let's move!

The background of the slide features a high-resolution aerial photograph of a coastal region. The left side shows a mix of brown, rocky land and turquoise-blue water. As the image extends to the right, it transitions into a darker, more uniform blue, suggesting deeper water or a different perspective.

Our Move dollars are paving the way for people to hear and receive the gospel of Jesus.

# LEADER DEVELOPMENT

In order to see the church flourish into the next generation, we need to raise up new leaders. The Move believes in coming alongside our future Christian leaders to foster a love for the Bible, God, and the lost. Students are often called into vocational ministry whether it's at church, in youth group, or at summer camp. We would also like to invest in the development of leaders by offering scholarships for first-time missions trip participants.

# First Time Missions Trips

First time missions trips are life-transforming. They expose individuals to evangelism, diversity, and a world in need of Jesus.

**CHURCH EXPANSION**

The local church is the one organization Jesus initiated when He was here on earth. It is through the local church that God desires to reach the lost and disciple the found. At Flatland, we do not want to be stagnant or grow complacent. That is why we are always looking to enhance and expand our facilities and programs. We also desire to launch new campuses as God leads. The Move enables us to take major strides to expand the local church.

# Momentum Offering

\$20,000

\*Our annual Momentum Offering is an opportunity to help Flatland greatly reduce our debt so more resources can be directed to missions and ministry. This special offering, in addition to The Move, will be received in November, 2021. Every dollar received will go toward the principle of our mortgage. This in turn will greatly reduce the amount of interest we spend on our facilities.

## **Join The Move**

Jesus Christ said while on earth, “I will build my church and the gates of hell will not prevail.” The Move is our way of following this great commission through a community of believers who faithfully give above and beyond. This initiative is comprised of individuals and families that prayerfully commit to give, over and above their tithes, to global missions, future Christian leaders, and local church development. The Bible shows us that Jesus gave all He had to reach the lost, and that there is no greater love than this. He asks us not to hold back in our own sacrifice for the kingdom. Everything we do today is about building His church around the world. Nothing can stand in His way and we want to move in step with Him to support His cause.
